Transmittal No.: X254516
Application No.: SE-13-004

Dear Mr. Lake:

Enclosed is a copy of the **Proposed Restricted Emission Status (RES) Approval** and **Public Notice** regarding Saint Anne's Hospital (SAH). The Southeast Regional Office ("SERO") of the Department of Environmental Protection, Bureau of Waste Prevention, ("MassDEP"), has reviewed your application identified as Transmittal No. X254516 and proposes to issue a Final RES Approval for your facility. The issuance of the **Final RES Approval** is subject to the public review process.

Please have the attached **Public Notice** published in a newspaper of general circulation in the municipality where the project is proposed. It is the applicant's responsibility to forward proof of publication to the attention of Thomas Cushing, Regional Permitting Chief, Bureau of Waste Prevention, at the address shown on this letterhead.

The mandatory thirty (30) day public comment period will commence with the date of publication of the **Public Notice**. It is in the applicant's interest to publish this **Public Notice** upon receipt and forward proof of publication to MassDEP as soon as possible to avoid delays in processing your application.

Should you have any questions concerning this matter, please contact Dan Kamieniecki at (508) 946-2717.

Sincerely,

This final document copy is being provided to you electronically by the
Department of Environmental Protection. A signed copy of this document
is on file at the DEP office listed on the letterhead.

Thomas Cushing
Regional Permitting Chief
